Protips:

Important! Teams will only have 2-3 minutes to pitch and will be timed accordingly.

- On average, we speak approximately **135** English words per minute.
- **2-3 minutes to speak == 405 word script**.
- **Write a script in these ranges**. Focus your argument on the most important and compelling features.

Explore more best practices for pitching, wireframing, and problem framing with the ASU's J. Orin Edson Entrepreneurship + Innovation Institute.
